### Consequences of withdrawal / cancellation

In the event of an effective withdrawal / cancellation, we must refund you all payments, which we have received from you, immediately and at the latest within 14 days from the day, on which we receive the notification about the withdrawal from / cancellation of this contract from you. For this refund, we will use the same mode of payment, which you have used for the original transaction, unless otherwise explicitly agreed upon with you. You will not be charged any fees due to this refund under any circumstances.
